

arated that the peace and safety of the settlers can be protected from the rashness of the ill-advised and unscrupulous of both races upon the borders.

Fourth. For further facts and details of existing conditions we refer to the report of the committee of five citizens of this county, submitted to the Department through Colonel McLaughlin in August, 1898.

FLAGSTAFF, ARIZ., June 13, 1899.

SIR: As directed by Department letter of March 14, 1899, I have the honor to submit the following report with reference to increasing the Navajo Indian Reservation:

I arrived at Flagstaff on the 8th ultimo, en route to Tuba City to carry out Indian Office instructions of January 25 last, relative to certain land matters and water privileges at Moencopie, and having in view the report called for regarding extension of Navajo Reservation, and having from my visit to this section last summer learned something of the opposition of the settlers of Coconino County to a southern extension of the reservation, as set forth in a report that I had the honor to submit under date of August 15 last, I concluded to remain over in Flagstaff one day, that I might
